It's Beginning to Look a lot Like Zombies, by Michael P. Spradlin, takes over two dozen of our most beloved Christmas carols and shreds them limb from limb, rewriting them from a zombie's point-of-view. With a foreword by *New York Times* Best-Selling Author Christopher Moore and jaw-dropping (literally) sketches accompanying each carol, this book will be the perfect holiday gift for humor lovers and anyone needing a break from Christmas-as-usual.
